is one of the most cherished trekking in the beautiful nation of Himalayas. This rewarding trip is equally popular as Annapurna Sanctuary Trek, which lies in the northern part of Nepal in [Annapurna region \(https://www.marveladventure.com/annapurna-trekking\)](https://www.marveladventure.com/annapurna-trekking).

Trek to Annapurna Base Camp is immensely popular due to the eye-catching Himalayan range, hilly landscapes, blooming forests along with its touch to the ethnic culture and hospitality.

After the sightseeing in Kathmandu valley, you fly/drive to the City of Lakes - Pokhara. From there, you drive for an hour and the trek begins. The trekking trail at the beginning section is comfortable and it goes through the sublime villages and captivating terraced fields.

With a tiresome climb to Ulleri, you walk through the blooming rhododendron forest. [Poon Hill \(https://www.marveladventure.com/ghorepani-poonhill-trek\)](https://www.marveladventure.com/ghorepani-poonhill-trek) is the fabulous destination to enjoy the view of snow capped Himalayas. Mt. Annapurna, Dhaulagiri, Fishtail, Himchuli and other surrounding peaks can be explored.

The trek also offers the ethnic cultural experience of gracious Gurung and Magar communities. Their hospitality is not only wonderful, but also remarkable. Via Machhrepuchhre base camp, you climb over to the Annapurna base camp (4130m).

It is surrounded by the snow capped Annapurna Himalayas, which looks to be a bowl. The spectacular sunrise view over the white peaks is massively pleasing. While returning, you can enjoy the natural hot spring at Jhinu Danda and feel relaxed.
