Throughout your Luxury Everest Base Camp trekking expedition, you will be transported using private vehicles. Our representative will receive you both for hotel check-in and check-out during the departure, and you will be transferred using private luxury vehicles. Similarly, for the sightseeing day in [Kathmandu \(https://www.marveladventure.com/kathmandu-day-tour\)](https://www.marveladventure.com/kathmandu-day-tour), a comfortable private vehicle is arranged to take you to several popular destinations in the country.

Besides ground transportation, Kathmandu to Lukla flight will be in comfortable luxury aircraft, although it won't be private as you will share the flight with other passengers. However, during your return trip from Gorakshap, you will fly back to Lukla via a chartered helicopter flight with unparalleled aerial views of the Himalayas.

## Medical Support

We provide comprehensive medical kits with all the essential first-aid supplies to our guests, including high-altitude medications and other essentials for common health issues. Our **guides are also trained for emergency response**, so in case of any difficulties and emergencies, they will follow proper protocols for the evacuation and rescue process. Our

guides are also familiar with the location of medical facilities along the trail and will advise you to seek medical attention if you need it for non-emergency health conditions.

Furthermore, you will also be briefed properly about healthy and safety measures throughout the expedition, which will help you to recognize potential risks and take appropriate measures to counter them.

## **Guides and Porters**

---

You will have top-tier guides and porters in your Luxury Everest Base Camp Trek; licensed, highly skilled, excellent in English communication, well trained, and with years of experience in the field. The guides leading and accompanying your expedition are well-trained in first-aid response, high-altitude risk management, and emergency assessment. [Our guides \(https://www.marveladventure.com/blog/hire-guide-for-everest-base-camp-trek\)](https://www.marveladventure.com/blog/hire-guide-for-everest-base-camp-trek) are also adept at making the right adjustment considering the group's safety and comfort level, so you will enjoy this thrilling adventure without compromising on anything.

Similarly, you will also have a better porter-to-trekker ratio in your luxury trekking expedition. As porters are core crew members who carry your luggage and equipment, our luxury trekking package provides you with a higher number of porters for luggage handling. This way, instead of worrying about getting weighed down by heavy backpacks, you will be able to immerse in this exhilarating experience and appreciate it without the need to worry about anything.
